

INSTRUCTIONS FOR COMPLETING THE CLAYTON HOUSE APPLICATION

The application process has **3** steps:

- 1) AN APPLICATION PACKAGE;**
- 2) A FACE TO FACE INTERVIEW;**
- 3) MONDAY call-in and urine screens for clients accepted to the waiting list.**

STEP 1

APPLICATION PACKAGE:

BEFORE an interview can be scheduled, applicants must be pre-approved for Husky D 3.1 Level of care.

Applicants and/or referring counselors are responsible for mailing or, FAXing (**860-659-1864**) or e-mailing (**jparlee@intercommunityct.org**) the **COMPLETED** application package which consists of:

- 1) a completed Clayton House Application Form;**
- 2) a TYPED psycho-social assessment** (to be provided by referring counselor); and a **medical history**
- 3) a negative PPD result** from a test done **within** the **past 3 months. Interviews will not be scheduled if PPD result is not provided.**
- 4) PLEASE DO NOT** send documents which are poor in quality, as they are often unreadable. Please do not send more than 20 pages.

STEP 2

INTERVIEWS:

Please call (860) 659-0309 **forty eight hours AFTER** the application package has been sent to Clayton House. **It is the responsibility of applicants and/or the referring counselors to schedule the interview appointment.**

STEP 3

(Applies only for applicants accepted on to the wait list)

Weekly Call-In:

Those applicants who are accepted to the waiting list will need to call in each **Monday between 8:00am and 10:00am** to update their wait list status. Applicants can call 860-659-0309 and simply leave a message on voice mail stating that they are still interested in admission. Please be sure to leave the telephone number of where you can be reached.

Weekly Urine Screens:

Clients on the waiting list may need to have weekly urine screens done and the result sent to Clayton House prior to admission.

Physicals:

DPH regulation: No client can be admitted with a physical or health assessment older than 30 days.

Please feel free to call 860-659-0309 with any questions or concerns. Thank you.

New Residents:

Clients being admitting into the Clayton House should, if possible, bring their own:

- bath towels and toiletries;
- laundry soap;
- at least a 30 day supply of any prescription medications and/or a renewable prescription.

Use this check list to make sure you have all the items necessary to make up a complete application package. *A complete application package is necessary before an in person interview can be scheduled. We **do not** conduct or schedule any phone interviews*

Clayton House Application Package Checklist

- Clayton House Application Form;**
- Bio-psycho-social assessment;**
- Medical history;**
- Active medication list;**
- PPD result** from a test done **within** the **past 3 months**
Interviews will not be scheduled if a PPD result is not provided.

Please indicate number of years completed and if degree was attained.

High School/GED:

College/Vocational school/Military:

Graduate School:

Legal History

Past Legal Issues:

Please indicate any past charges, convictions, prison sentences, DWI, probation's, paroles, etc.

Current Legal Issues:

Please indicate any current charges, court cases, probation that you are facing presently. Please include name, office, and telephone number of any probation officer following your case.

Personal Statement

Briefly explain what you expect to gain from becoming a member of Clayton House.

Briefly explain what you can offer Clayton House and its present group of residents.

Other comments that you would like to make:

Clayton House is owned and operated by InterCommunity Inc. (ICRC). ICRC is based in East Hartford, Connecticut at 111 Founders Plaza (06108). The main office telephone is 860-569-5900.

The Clayton House program has been in existence since 1985. It serves up to 15 adult men and women with ages ranging anywhere from 18 years old and up with the average age being about 30.

Length of time for residency at Clayton House can vary up to a maximum treatment stay of 6 months, depending on the needs of the individual.

Clayton House serves all addicted persons alike regardless of the "drug of choice" as well as those who have been diagnosed with a psychiatric condition in addition to a chemical dependency provided the psychiatric condition does not prevent them from obtaining and holding employment.

Clayton House is a "working" half-way house. This means that applying clients must be able and willing to hold 35 hours of employment per week in order to be eligible for the program. New residents have 30 days from the date of their admission to obtain at least 35 hours of employment.

Residents of Clayton House are subject to random urine screens.

Clayton House has an evening therapeutic program which creates the need for clients to obtain jobs with day time hours **only**.

All "residents" are required to be back at the House no later than 5:30 PM each weekday evening.

The therapeutic program consists of a Relapse Prevention group, Group Therapy, Men's and Women's group, Education-Topic group, Community meetings, 12-step meetings, individual counseling sessions, and a monthly Family Education group.

The weekly schedule is as follows: 5:30 PM, all residents are back in the House and eat dinner together....

MONDAY

6:15-6:45 PM Community Meeting
7:00-7:45 PM Relapse Prevention Group

TUESDAY

6:15-7:15 PM Gender Group
7:30-10:00 P.M. House Activities or Outside Recovery meeting

WEDNESDAY

6:15-7:00 PM: Mental Health Group
7:30-10:30 PM: Mandatory Outside 12 Step Meeting

THURSDAY

6:15-7:15 PM: Educational Group

FRIDAY

6:15-9:00 PM: Mandatory Outside 12 Step Meeting

SATURDAY/SUNDAY

6:15p-9:30 PM Mandatory Outside 12 Step Meeting

Visitors: Visitors are allowed weekdays from 4:00-5:30 PM; weekends from 1:00-9:00 PM.

Pass time: Residents earn increases in weekend pass times by earning their way up to higher levels in the Level System.

Level System: Clayton House employs a system of 5 levels. Residents earn their way up to new levels by demonstrating a focus on recovery, addressing therapeutic issues, and making positive changes for a healthy lifestyle. By reaching higher levels, residents earn privileges of increases in weekend pass time and the freedom to attend 12-step meetings of their choice during weekday evenings.

THE CLAYTON HOUSE PROGRAM IS FOR RECOVERING PEOPLE WHO WANT THERAPY. Applying clients need to be aware that Clayton House is *not* simply a sober living situation, such as an Oxford House. It is a *therapeutic group setting*. This means that clients who apply to the program are those who want an intensive therapeutic experience as part of their recovery process. This program is structured, having 24 hour staffing and house rules (such curfews, daily routines, appropriate behavior, etc.) which create the guidelines toward the healthy lifestyle. Therefore, while the Clayton House is more supportive, it can

be more restrictive than a “sober house” or independent living. The Clayton House program is not intended for people simply in need of housing.

Residents are expected to be willing and to become able to live and interact within a group environment; to communicate openly, directly, and honestly with peers and staff; to seek and accept support and confrontation from this group; and to conscientiously address treatment issues as part of the lifestyle of Clayton House residency.

Clayton House maintains the expectation that residents will demonstrate consistent investments in making changes toward healthy lifestyles involving emotional, mental, physical, and spiritual well-being.

Admission to Clayton House: In order to be considered for admission into the program, clients must complete a Clayton House Application Form and return it along with:

- 1) ***a psycho-social assessment;***
- 2) ***a medical history;***
- 3) ***the negative results of a PPD test (tuberculosis test) done no later than the past 3 months.***

PLEASE NOTE:

Applying clients must have a documented period of abstinence from ALL substances AND be free of prescribed medications which are “controlled substances” (potentially addictive).

Clients accepted on to the Clayton House Waiting List are required to call each Monday morning to maintain their wait list status.

Those clients who must find interim housing between an in-patient facility and Clayton House are required to provide proof of abstinence in the form of eandom urine screens. The results of these must be sent to Clayton House upon offer of admission; failure to do so forfeits the admission opportunity.

DIRECTIONS:

From Springfield/Hartford area - take I-91 south to exit 30; follow Route 2 east to exit 7 (left hand exit) to Route 17 south, immediately take the “New London Turnpike” (left hand) exit; at the stop light turn right onto Williams Street (east); look for big white house on right (# 203).

From New London area - take Route 2 west to exit 8; turn left onto Oak Street at top of exit ramp; follow to intersection of New London Turnpike; go directly across intersection to Williams Street (east); look for big white house on right (# 203).

From Waterbury area - take I-84 east to I-691 south to I-91 north to exit 25, Route 3 north to Route 2 east; exit 7 (left hand exit) to Route 17 south, immediately take the “New London Turnpike” (left hand exit); at the stop light turn right onto Williams Street (east); look for big white house on right (# 203).

From **New Haven area** - I-91 north to exit 25, Route 3 north to Route 2 east; exit 7 (left hand exit) to Route 17 south, immediately take the “New London Turnpike” (left hand exit); at the stop light turn right onto Williams Street (east); look for big white house on right (# 203).
