

Student Flu Shot Clinics

Open to all school-aged children in East Hartford

This year, it is more important than ever for your child to have a flu shot.

The Centers for Disease Control and Prevention (CDC) recommends a yearly flu (influenza) vaccine for all children 6 months and older, ideally by the end of October.

InterCommunity's School Based Health Centers (located in East Hartford High School and East Hartford Middle School) will be holding flu shot clinics – a quick and easy way to have your children vaccinated right at school!

Make your appointment today!

Flu Shot Clinics
starting Sept. 3 at
**East Hartford
High School:**

Please call
860-622-5340
to schedule an
appointment

Flu Shot Clinics
starting Sept. 3 at
**East Hartford
Middle School:**

appointment

**Let's keep our
students healthy
this winter!**

**Have your children immunized
against the seasonal flu**

If you are new to the East Hartford school system this year, please bring a copy of your child's health history, including immunizations.

InterCommunity Health Care is committed to protecting the health and safety of all students and families. Please wear a face mask and observe social distancing of six feet when visiting our offices. If you do not have a face mask, one will be provided for you.
